Drawings

In the Office Action, the drawings are objected to for failing to show every feature of the invention specified in the claims. Replacement sheets 1 and 2 are presented to amend **FIG. 2** and **4** to include the screen **31**, the upward flange **33**, and the downward flange **35**. Paragraphs **[0024]-[0026]** are amended to include the reference character **31**, **33**, and **35**, respectively. Supports for these amendments to the drawings are found throughout the originally submitted specification specifically in Paragraphs **[0024]-[0026]**. No new matter has been added.

Accordingly, Applicants respectfully request that the Examiner reconsider this objection.
